MOTOR COACH SERVICE

The Pittsburgh Motor Coach Company furnishes a rapid, direct service from downtown Pittsburgh to the surrounding residential sections. Service is also operated on interurban routes to more distant points.

The speed of the service, due to the direct routing and infrequent stops, is comparable to the private automobile, while the long wheelbase and balloon tires assure a comfortable ride.

The company has established a remarkable safety record through its careful selection and training of operators and a daily inspection of equipment.

SIGHTSEEING TOURS IN PITTSBURGH

The Pittsburgh Motor Coach Company operates sight-seeing tours through Pittsburgh parks, residential and industrial sections. These tours offer a most convenient and pleasant way for the visitor in Pittsburgh to see the most beautiful and historical points of this great city. These sightseeing tours are operated during the summer season, starting from the Pennsylvania Station and making stops at the Wm. Penn Hotel, Pittsburgher Hotel, Fort Pitt Hotel, and the principal bus terminals in the downtown district to pick-up passengers before proceeding with the regular sightseeing trip.

For information regarding rates and schedules of sight-seeing tours call Grant 7450.

CHARTERED STREET CARS AND MOTOR COACHES

Chartered cars and coaches are especially convenient and economical for lodges, schools, churches, business organizations, and clubs in planning educational trips to Pittsburgh's industrial plants, beautiful art galleries, zoological gardens and amusement parks.

Arrangement for special cars or coaches may be made at the offices of the Pittsburgh Railways Company or the Pittsburgh Motor Coach Company at 435 Sixth Avenue. Phone Grant 7450 and Grant 1500.
